

One of the most valuable contributions that families can make to the College is the gift of their time and expertise. The entire College benefits when we work together as a community for the benefit of our children.

We ask for all our families to perform 6 hours of College Support per term or make payment of \$40.00 per hour not completed.

How it works:

- If your family is new to the College you are not required to do College Support hours in your first term with us – however we would very much appreciate and value your support, and you are welcome to get a head start on the following terms!
- Please note that we do not retrospectively apply college support hours.
- Hours completed in the College holidays will apply to future terms.
- If you have a particular skill, please approach your classroom Director or Parent Liaison to talk about what you could offer the College. Start a new club, organise an excursion or incursion, share your passion for your job by giving a class presentation, create a work of art with the students – and the list goes on!
- Families are encouraged to take on activities throughout the whole college not just their child's class.
- Families may apply for an exemption from the requirement to meet College Support Hours, in extenuating circumstances, as a once off. The exemption request must be in writing, addressed to the Principal, detail justifications and be emailed to admin@pi.wa.edu.au. The Principal or their representative will have the sole discretion on whether to grant the request.
- The Principal or College Board must approve long-term projects.

College Support can be carried out in a variety of ways:

- Specified projects and tasks by requested by Class Directors, the College Executive or College Board.
- Busy Bees.
- Open Days.
- Classroom Clean-up.
- Assisting in the: College Wear Shop, Scholastic Book Club, College Lunch Orders, Montes Garden.
- Covering books and making classroom materials.
- Library.
- Administration Tasks.
- College committees as appointed by the College Board.
- Support for the yearly preparation of the Biennial Art Exhibition or Performance Evening.
