

Principal- k-12, independent, boutique school

Perth Montessori School is looking for a principal to commence early 2022.

Located in Burswood close to vibrant Victoria Park, and with the amenities of the City close by, the Montessori Program of this small school commences in its on-site playgroup and extends throughout the early learning and the primary years. The Montessori approach continues into years 7-12 and the school is exploring Big Picture Design as a way of augmenting this and ensuring that students are well prepared for their futures beyond school.

The school is in a process of renewal and this is a unique opportunity for a principal with strong relational skills and a contemporary understanding of school improvement processes.

The classrooms are lead by professional, skillful, Montessori educators and parents value the experience that their children are enjoying at the school.

This is an opportunity to lead by:

- building relationships;
- providing direction; and
- developing innovative learning opportunities for students and staff.

For further information contact the Consulting Principal, Jo Bednall, jo@pi.wa.edu.au

Please send a covering letter, CV and the names and contacts for three confidential referees to accounts@pi.wa.edu.au

Applications close Monday, December 13, 2021 at 5:00pm.
