Fees Policy

Terms and Conditions

The Terms and Conditions set out in the Application Form, Enrolment Agreement, Enrolment Information and all associated papers and information sheets may be amended from time to time by the Board. Any such amendments and provisions shall continue to apply during the whole period that a student attends the College. Full details of Terms and Conditions under which enrolments are accepted are described in the Enrolment Agreement.

1. Payment of Accounts

The Board generally sets fees each school year based on:

- its expected level of Commonwealth and State funding for the year; and
- the strategic objectives for the year.

Fees are per child, payable in advance and non-refundable unless otherwise noted. Continuation of enrolment cannot be guaranteed unless outstanding fees have been paid by the due date or alternative financial arrangements have been made. The school will issue a Fee Statement to you before the start of each Term.

All payment methods available are as follows:

- Perth Individual's preferred payment method is Direct Debit by credit card, debit card or bank account. No processing fees apply. To set up for Direct Debit and pay by Credit Card/Debit Card or Bank Account click here [School EasyPay Parent Set Up](#);
- Cheque (made payable to 'Perth Individual'), Cash, BPay or Direct Internet Account Transfer to Perth Individual, Westpac Bank, BSB 036-037, Account Number 118381 and include your family ID number as shown on your statement;
- By Credit Card at the front office, personally or on the phone, using the College's EFTPOS with Bankcard, MasterCard or Visa;
- Online by credit card - Visa, MasterCard or Amex

2. Additional Fees

Payments for the Building Fund and Development Levy are due in line with a family's chosen payment method either one annual lump sum payment, per term, or per month over 10 months if a family is signed to direct debit.

Extra fees will occasionally be due for: excursions, classroom learning resources, consumable resources, textbooks, subscription levies, specialist tuition or camp fees. These fees are payable as set out on your Fee Statement. In addition, parents are required to provide various consumables and class texts as set out on the class Booklist (Cycle 1 booklist items are included on your Fee Statement). Extra fees are payable when tuition is provided by external tutors, such as music teachers. Such fees are payable by parents directly to those external tutors by arrangement between the tutor and the parent. The High School students will be invoiced for all Elective Courses, Book Hire Charges and any Resource Fees applicable to their education.

3. Probationary Period for All New Enrolments

On admission of each child, there is a probationary period of one (1) Term that allows for the child to settle into the school.

If, following this process, the College determines that it is in the child's best interest not to continue enrolment at Perth Individual, the College, despite the policy on Confirmation Fees, will refund the Confirmation Fee and, on a pro-rata basis, the Tuition Fee, Building Fund Levy and Development Levy.

4. Notice Period for families not receiving Scholarships or Bursaries

Parents are urged to contact the Principal before making a final decision to leave the school. Notice of intended withdrawal must be given in writing to the Principal.

A fee equal to 1 Terms fees will be applied unless notice of intended withdrawal is provided, in writing (via letter or email to admin@pi.wa.edu.au), to the Principal as per the following - if the intent is to leave at the:

No family, who has given notice, is eligible for any financial arrangement, new or continuing, including Scholarships and Bursaries support; all of which will cease upon notice of withdrawal. Parents are urged to contact the Principal before making a final decision to leave the school, particularly where assistance may be available.

Any family in receipt of any Scholarships or Bursaries who intend leaving the school must give 2 full Terms notice of their intent to leave the school in writing (via letter or email to admin@pi.wa.edu.au) to the Principal as per the following - if the intent is to leave at the:

6. Concessions/Rebates Available for Term/Annual Fees

Families can apply for discounts on the Tuition Fee:

Where the Annual Tuition Fee is paid in one instalment by the end of the first week of Term 1. The discount is:

- 6% of the Annual Tuition Fee where payment is by cash, cheque or direct internet account transfer; or
- 2.5% of Annual Tuition Fees where payment is made by EFTPOS or credit card.

Where a child commences after the end of the third week of a Term, a pro rata Tuition Fee for that Term will be charged. All children who commence anytime during the first three weeks of Term will be charged full Tuition Fees.

Sibling Discounts

Where more than 1 child from the family is enrolled the following reductions in tuition fees are made:

Second child	20%
Third child	30%
Fourth child	100%

Where a child graduates at Year 12, the appropriate sibling discount continues to apply to all remaining students still at the school.

College Support Contribution

Parents are expected to contribute towards the maintenance of the school by performing six (6) hours of College Support per family per Term. These hours must be signed off by the Heads of Committee, Administration Staff or Class Directors. An hourly fee as set out on the fee schedule will be charged for each hour not performed. Families must ensure that they submit their hours undertaken to the front administration office before the close of each college term. No credit is provided for additional hours undertaken nor are hours credited toward future term hours unless those projects are specifically approved by the Board prior to commencement, however, the College sincerely appreciates any additional support families are willing to provide.

7. Late Payments or Overdue Accounts

Please contact the office immediately if you have difficulty in paying the fees by the due date. Information concerning Financial Assistance is available from the office. Unless prior arrangements have been made with the College and are being adhered to; no student may commence a new Term until the family account has been paid in full. The College Board will forward such notification via email.

For Late Payment:

- Reminder sent at end of week 1.
- The first notice of enrolment suspension at end of week 2.
- Suspension notice end of week 3.

Note: Student will remain suspended until fees are paid in full.

- All Late Payments and Overdue Accounts will attract a late payment fee of \$50 per month if not rectified within 21 days.

8. Temporary Withdrawal

No holding fee is charged where a child is removed from the school for temporary reasons such as international or national job placements and travel. However, a place will not be held for students enrolling in another Perth school.

9. Queries Concerning this Policy

In the first instance, parents should direct any questions concerning the school's fees to the Bursar or Principal. Parents may then address any further concerns in writing to the Board of Directors – attention of the Finance Director.

10. Before, After, Professional Development Days and Holiday School Care

It is a condition of enrolment that families register their child(ren) with our Before, After, Professional Development Days and Holiday School Care provider.
